Dear Mr Tuckley,
I hope this letter finds you well.
I would like to raise my concern regarding the overflowing rubbish bins across St Katharine's and Wapping and in other parts of the borough. I am aware of the dispute between your contractor, Veolia, and their staff, resulting in a shortage of operational rubbish trucks. But given we are in the midst of the coronavirus pandemic; it is absolutely imperative that uncollected rubbish does not become yet another public health issue.
As I am sure you are aware, Tower Hamlets Council is raising council tax by 3.99% this year, which, given the mismanagement of vital frontline services such as regular and reliable bin collections, seems like quite a brazen move. Residents will be paying more for less. I therefore ask that the rubbish be collected at the earliest opportunity. The next twelve weeks are absolutely critical, and residents of St Katharine's and Wapping deserve to live in a safe and clean environment with functioning services, which they pay for through their council tax.
I look forward to hearing from you. Kind regards,
Dominic Buxton
